SMART GALLEN

Leaving no waste behind. Smarter.

**Buying waste stamps is
annoying.**

**People throw away things
others may want.**

Easing disposal and collection through AI

create a sustainable future multidimensionally

A brand new market for your waste

~~Throw away.~~

Give away.

~~Buy stamps.~~

No nothing.

~~Waste.~~

Reuse.

New tech for an ancient market

**Convenience
of your home**

Estimating your stamp needs through AI @ scale

**Time
&
Resources**

Also no waste on these fronts

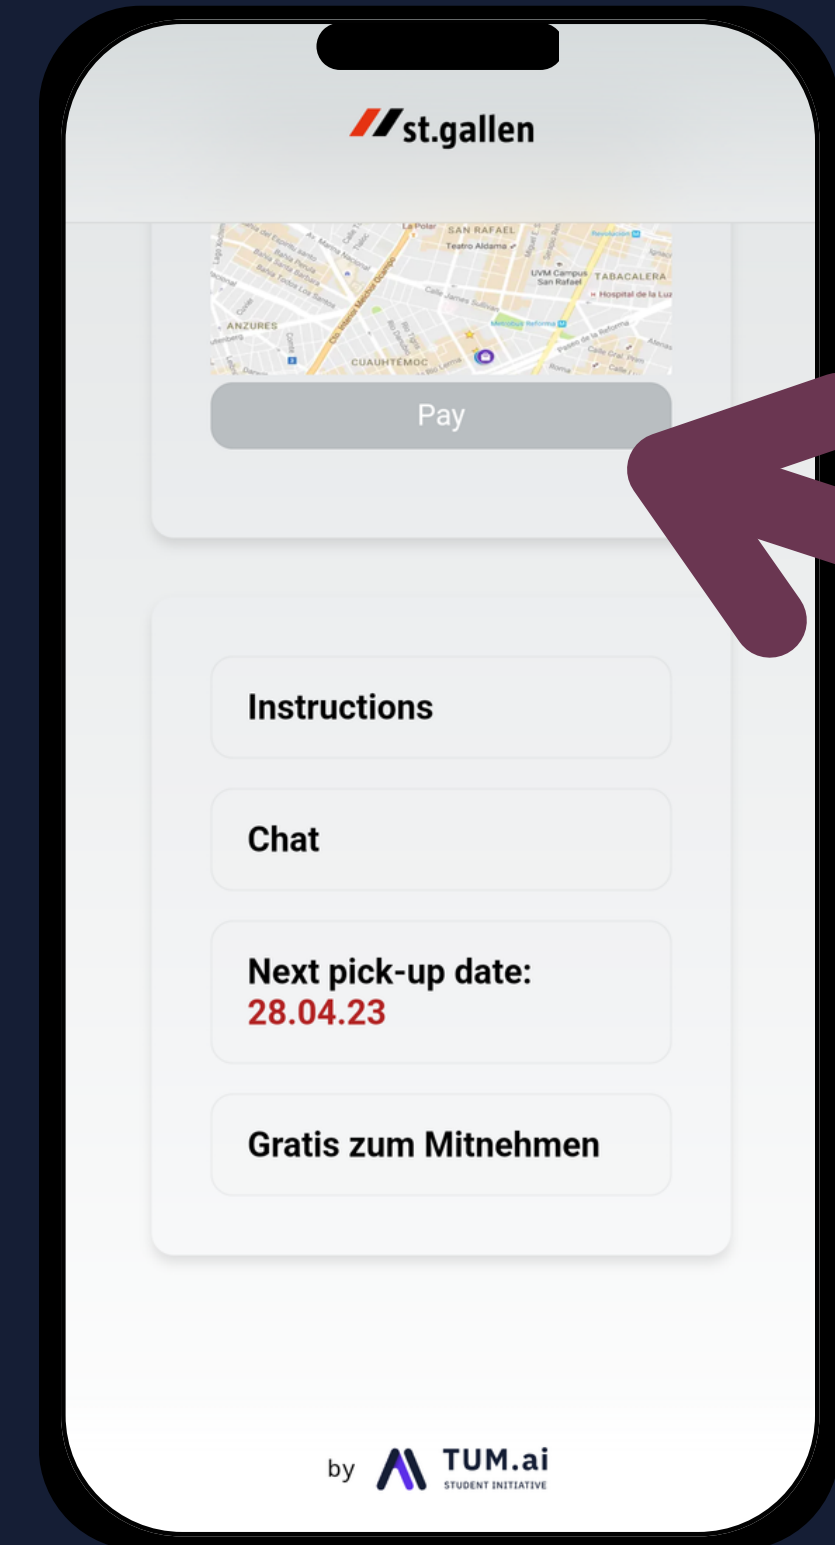

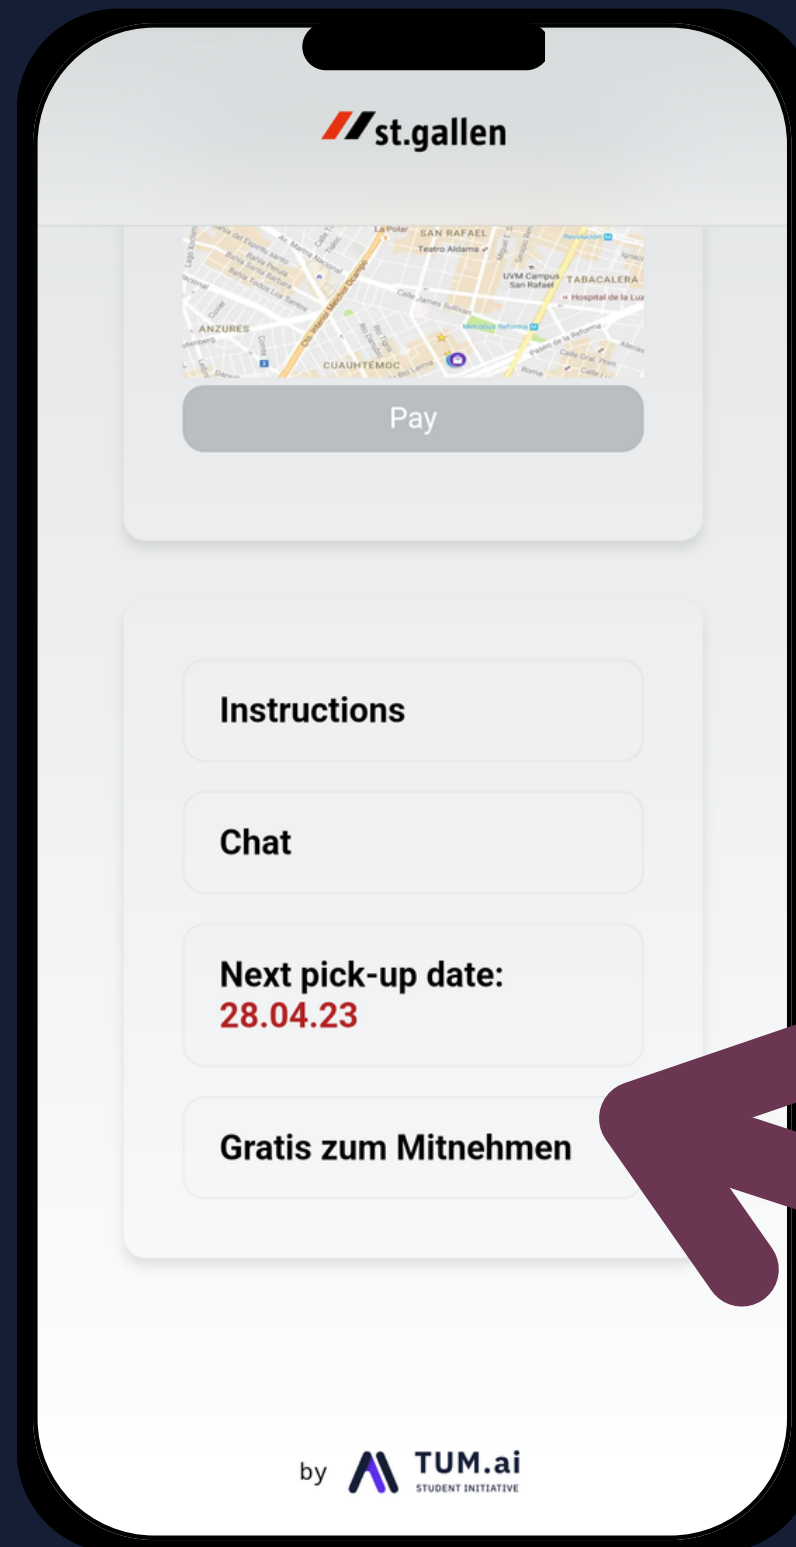

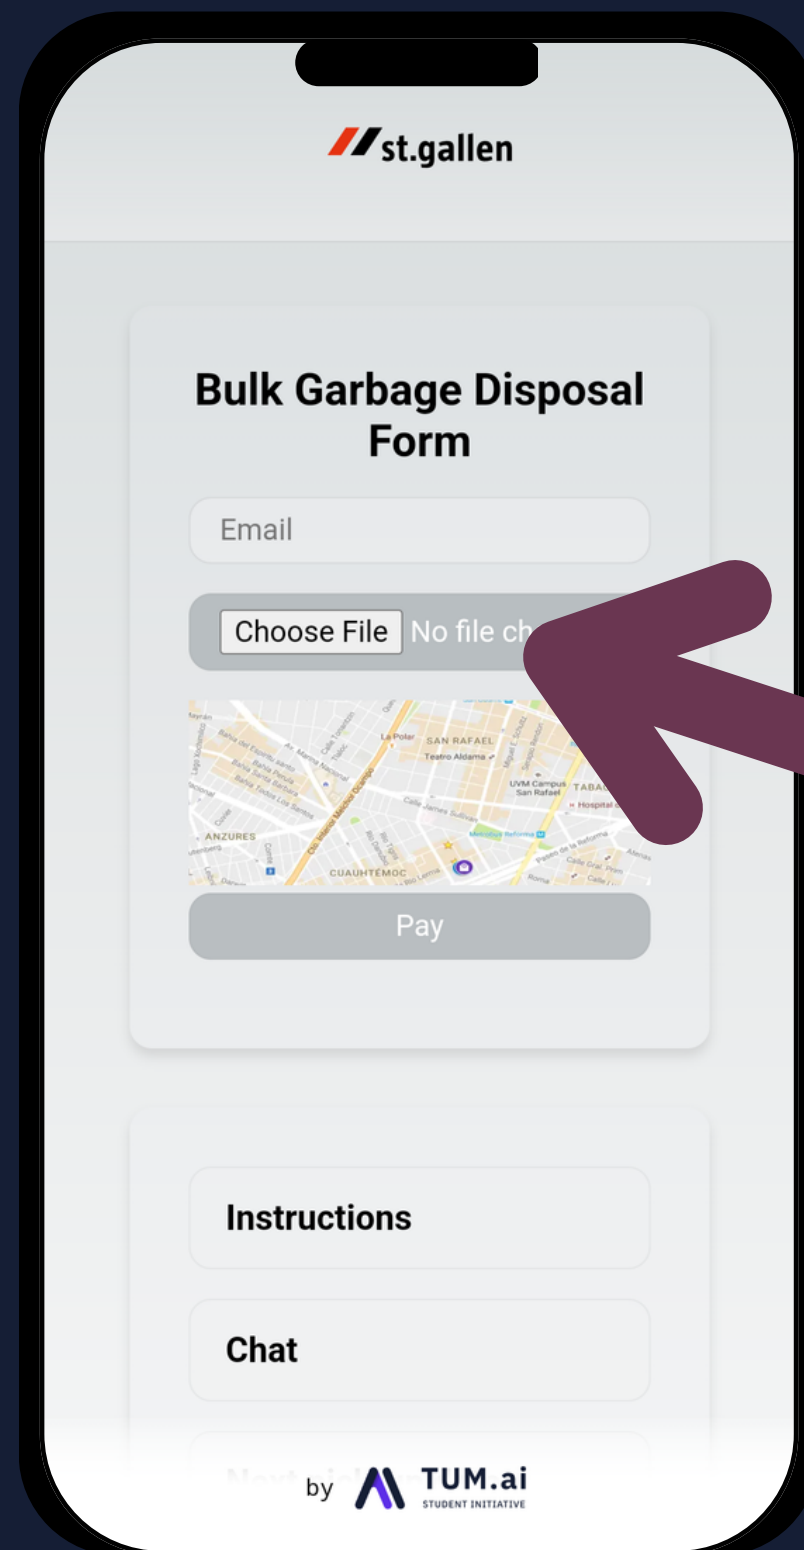

**Circular
Economy**

Reduce. Reuse. Recycle.

We make it easy.

- 1** Take a picture
- 2** Learn the tax price
- 3** Pay and check out

We make it easy.

Someone had to do it.
